For Service to Skyview High School or Skyview Activities

Name

Twenty hours of community service is part of your commitment to National Honor Society. At least ten of those hours must be in service to Skyview High School or Skyview High School Activities. There are numerous ways that you can serve. Having a record of your school service will serve you well when you are completing scholarship and college application forms. This record (completed) is due by April 25. You may purchase your honor cord upon completion of your service.
